

**TO THE EX-MEMBERS OF THE
WELLINGTON MOUNTED RIFLES REGIMENT, 1st.
N.Z.E.F.**

Above: The cover of the Address Book sent to Members in 1945.

The contents transcribed by President Greg Bradley NZMRA in 2009.

This volume is to commemorate the 25th Reunion of members of the old Regiment and the Committee trusts that it will prove interesting and useful, it contains just short of 1000 names and 99 per cent, of the addresses are correct. Unfortunately the list is not complete; there are many whose names should be included but of whom the Committee has been unable to get particulars. All those serving overseas in the Second World War are shown as *. Where the Unit is not shown the man concerned has not replied to the circular issued. This Address Book is a record of the names and addresses of all known members of The Wellington Mounted Rifle Regt. who SERVED IN THE 1914-18 War and are still alive to answer the Roll Call.

The book will let each member to know where his comrades live and will be of great value in helping them to keep in touch with one another.

When a member picks the book up and goes through the names he will be able to recall many a happy memory of events he shared with his comrades,, and many scenes that had become dimmed to be “freshly remembered.”

To one great regret we all have is that many of the men who shared with us the great events and the happy times that the book will recall, are longer with us.

As first Commanding Officer of the Regiment, I welcome the publication of the Address Book and am grateful to Harold Bennett and members of the Committee and others who have given their time and labour in compiling and publishing the book, and also to those who have sent in donations towards expenses of publication.

I send my greetings and best wishes to all my old comrades who are still able to answer the roll call.

W. MELDRUM,
Brig.-General

Now that you have been through this list, doubtless you have met many old friends. Jack them up to meet you at our next Reunion which is held each year in June in Palmerston North.

Take the volume with you when traveling. Wherever you go you will find an old "Well and 'Truly."

You are asked to forward to the Secretary the names, addresses and units of W.M.R. men when you come across them and whose names are not included. Please notify the Secretary of any change of address.

We have very live sub-associations at Gisborne and Wellington. Contact Fred Barwick or Eric Casey, the respective secretaries.

For further supplies of this book apply to the undersigned Price 2/-, H. B. BENNETT, Hon. Secretary, Box 138, Palmerston North.
